Dr Elga Drews graduated from Technikon Natal (now Durban University of Technology) in 1995 and returned to Namibia to establish her own practice. She qualified as a Certified Chiropractic Sports Physician through FICS in 1997.

She currently serves as Vice-President of the Allied Health Professions Board of Namibia, representing the Complementary Health Professions.

She also contributes to the Public Health Committee of the WFC.

She was recently elected as the African representative board member of the WFC.
